

CHAPTER 40 EQUIPMENT AND SUPPLIES

Equipment and Supplies Refer to RMG (Ch. 40)

General

All requests for equipment will be placed using ROSS or on resource order forms and processed through CRC.

All requests for incident supplies will be placed using Ross or on resource order forms and processed through CRC. This applies to ongoing incidents, critical initial attack needs and NFES items. All re-stock orders should be placed by the responsible agency with local vendors, GSA, or according to their agency direction.

Each unit should maintain tools and supplies at a level to be able to handle normal operations for initial attack and minor support, such as outfitting available forces on the unit and regular fire replacement. Local cache inventory lists are due to RMK by April 1, annually. The larger Interagency Fire Caches shall maintain tools and supplies at a level to handle 90 percent of normal large

Non-Contract (Local) Food Service Organizations

When non-contract caterers and other food service organizations are utilized, national contract specifications will be used as guidelines to assure firefighters receive adequate, nutritious and safe meals. Things to remember: When ordering meals from vendors to the fireline, ensure hot food containers (NFES # 0073) are delivered to the vendor prior to pick up. Also make sure you send serving utensils, as most vendors do not provide. The following vendors are available to provide food services.
